

GB CUT F1

heavy duty pipe cutting machine

Triplex chain

Optional Guide Band

The GB CUT F1 can cut & bevel pipes from 4" to 80" diameter. The torch is mounted in a holder which can be adjusted through 3 axes for perfect positioning. Triplex link chain and adjustable wheel positions enable the GBC CUT F1 to perform precise, square cuts.

Available in manual or motorised versions. Motorisation kits can be fitted retrospectively.
